

Welcome to the Membership of EcoDiesel!

You are joining a member-owned California Consumer Cooperative - EcoDiesel. Our co-op is dedicated to offering biodiesel as a fuel alternative for a more sustainable future.

In Pacifica and the coastside, we are known as Coastside GreenRide or The Pacifica BioDiesel Co-op.

We are a "start-up" of the Livability Project.
For more information on the Livability Project & EcoDiesel go to:
www.livabilityproject.org

Thank you for joining and contributing to a better world!

✂ Cut and take home with you. Please sign up the next time your are online.

E - mail

Email is the easiest way to keep everyone informed of fuel status, issues and changes. As such, unless you do not have internet access, it's a requirement for you to join our yahoo group to stay informed.
